MINUTES OF THE WEDNESDAY August 26, 2026 MEETING:

Meeting held at Cocina del Charro, 1020 West San Marcos Blvd, San Marcos, CA

The meeting was called to order by President David Caron at 7:05 PM.

Our guest speaker for the evening was Past President Tory Walker of Tory R. Walker Engineering.

The following items were discussed:

- 1) Tory's presentation focused on the recently updated County of San Diego Hydrology Manual.
- 2) It included a detailed presentation on the changes to the old manual. The County has been working on updating the manual for years. One of the biggest changes is the adoption NOAA Atlas 14 point precipitation, including its method of estimating intensity-duration-frequency.
- 3) The discussion was technical and showed the speaker's mastery of the subject, making it difficult to summarize. The slides used by the speaker will be sent along with these minutes.
